RE: Lehman Brothers Inc., Bankruptcy Filing, Case Number 08-13555, Title of Objection
Number 58, Claim number 4558

Dear Honorable James M. Beck,

I Kenneth L. Kresse am a debtor and claimant to the case involving Lehman Brothers Holdings, Inc. Chapter 11 Bankruptcy. I filed claim with the United States Bankruptcy Court, Southern District of New York on May 22, 2009.

In February 06, 2008 I purchased a Lehman Bros. Holdings bond in the amount of \$20,000.00 through Sun Trust Investment Services with a rating of A+ by Standard & Poor's. I am enclosing proof of purchase by showing my Sun Trust statement with the transfer of assets to purchase said bond, confirmation of purchase and a copy of Form 10 originally filed on 5/22/2009.

Please consider my claim for repayment as I am retired, disabled and living on a fixed income.

If for any reason you need additional forms or additional information please contact me at the above address or phone number.

Thank You,

Kenneth L. Kresse

OMNIBUS OBJECTION TO CLAIMS (NO SUPPORTING DOCUMENTATION CLAIMS)**

CLAIM TO BE DISALLOWED & EXPUNGED	
Creditor Name and Address: KRESSE, KENNETH L. 11267 ARDENCROFT DR S JACKSONVILLE, FL 32246	Claim Number: 4558 Date Filed: 5/26/2009 Debtor: 08-13555 Classification and Amount: UNSECURED: \$ 20,000.00

PLEASE TAKE NOTICE that, on October 13, 2010, Lehman Brothers Holdings Inc. and certain of its affiliates (collectively, the "Debtors") filed their Fifty-Eighth Omnibus Objection to Claims (No Supporting Documentation Claims) (the "Objection") with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court").¹

The Objection requests that the Bankruptcy Court expunge, reduce, reclassify, and/or disallow your claim listed above under CLAIM TO BE DISALLOWED & EXPUNGED on the ground that said claim violates the Bankruptcy Court's July 2, 2009 order setting forth the procedures and deadlines for filing proofs of claim in these chapter-11 cases (the "Bar Date Order") [Docket No. 4271], as it does not include supporting documentation or an explanation as to why such documentation is unavailable. Any claim that the Bankruptcy Court expunges and disallows will be treated as if it had not been filed and you will not be entitled to any distribution on account thereof.

If you do NOT oppose the disallowance, expungement, reduction or reclassification of your claim listed above under CLAIM TO BE DISALLOWED & EXPUNGED, then you do NOT need to file a written response to the Objection and you do NOT need to appear at the hearing.

If you DO oppose the disallowance, expungement, reduction or reclassification of your claim listed above under CLAIM TO BE DISALLOWED & EXPUNGED, then you MUST file with the Court and serve on the parties listed below a written response to the Objection that is received on or before 4:00 p.m. Prevailing Eastern Time on November 15, 2010 (the "Response Deadline").

¹ A list of the Debtors, along with the last four digits of each Debtor's federal tax identification number, is available on the Debtors' website at <http://www.lehman-docket.com>.

Your response, if any, must contain at a minimum the following: (i) a caption setting forth the name of the Bankruptcy Court, the names of the Debtors, the case number and the title of the Objection to which the response is directed; (ii) the name of the claimant and description of the basis for the amount of the claim; (iii) a concise statement setting forth the reasons why the claim should not be disallowed, expunged, reduced, or reclassified for the reasons set forth in the Objection, including, but not limited to, the specific factual and legal bases upon which you will rely in opposing the Objection; (iv) all documentation or other evidence of the claim, to the extent not included with the proof of claim previously filed with the Bankruptcy Court or provided to the Debtors in response to the Derivative Questionnaire and/or Guarantee Questionnaire (as defined in the order, dated July 2, 2009, establishing the deadline for filing proofs of claim, approving the form and manner of notice thereof and approving the proof of claim form [Docket No. 4271]), upon which you will rely in opposing the Objection; (v) the address(es) to which the Debtors must return any reply to your response, if different from that presented in the proof of claim; and (vi) the name, address, and telephone number of the person (which may be you or your legal representative) possessing ultimate authority to reconcile, settle, or otherwise resolve the claim on your behalf.

The Bankruptcy Court will consider a response only if the response is timely filed, served, and received. A response will be deemed timely filed, served, and received only if the original response is actually received on or before the Response Deadline by (i) the chambers of the Honorable James M. Peck, One Bowling Green, New York, New York 10004, Courtroom 601; (ii) attorneys for the Debtors, Weil Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Shai Waisman, Esq.); (iii) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, 21st Floor, New York, New York 10004 (Attn: Andy Velez-Rivera, Esq., Paul Schwartzberg, Esq., Brian Masumoto, Esq., Linda Riffkin, Esq., and Tracy Hope Davis, Esq.); and (iv) attorneys for the official committee of unsecured creditors appointed in these cases, Milbank, Tweed, Hadley & McCloy LLP, 1 Chase Manhattan Plaza, New York, New York 10005 (Attn: Dennis F. Dunne, Esq., Dennis O'Donnell, Esq., and Evan Fleck, Esq.)

A hearing will be held on December 1, 2010 to consider the Objection. The hearing will be held at 10:00 a.m. Prevailing Eastern Time in the United States Bankruptcy Court for the Southern District of New York, One Bowling Green, New York, New York 10004, Courtroom 601. If you file a written response to the Objection, you should plan to appear at the hearing. The Debtors, however, reserve the right to continue the hearing on the Objection with respect to your claim. If the Debtors do continue the hearing with respect to your claim, then the hearing will be held at a later date. If the Debtors do not continue the hearing with respect to your claim, then a hearing on the Objection will be conducted on the above date.

If the Bankruptcy Court does NOT disallow, expunge, reduce or reclassify your claim listed above under CLAIM TO BE DISALLOWED & EXPUNGED, then the Debtors have the right to object on other grounds to the claim (or to any other claims you may have filed) at a later date. You will receive a separate notice of any such objections.

You may participate in a hearing telephonically provided that you comply with the Court's instructions (including, without limitation, providing prior written notice to counsel for the Debtors and any statutory committees), which can be found on the Court's website at www.nysb.uscourts.gov.

If you wish to view the complete Objection, you can do so on the Court's electronic docket for the Debtors' chapter 11 cases, which is posted on the internet at www.nysb.uscourts.gov (a PACER login and password are required and can be obtained through the PACER Service Center at www.pacer.psc.uscourts.gov), or for free at <http://www.lehman-docket.com>. If you would like to request a complete copy of the Objection at the Debtors' expense, please contact the Debtors' approved claims agent Epiq Bankruptcy Solutions, LLC toll-free at 1-866-879-0688.

If you have any questions about this notice or the Objection, please contact Debtors' counsel Erik Encarnacion, Esq., at 214-746-7700. CLAIMANTS SHOULD NOT CONTACT THE CLERK OF THE BANKRUPTCY COURT TO DISCUSS THE MERITS OF THEIR CLAIMS.

PORTFOLIO VALUE

NFS-provided estimated cost basis (including cost basis and short sale proceeds information provided to NFS by customers), realized gain and loss, and holding period information may not reflect all adjustments necessary for tax reporting purposes. Taxpayers should verify such information against their own records when calculating reportable gain or loss resulting from a sale, redemption, or exchange. NFS does not report such information to the IRS or other taxing authorities and is not responsible for the accuracy of such information. Taxpayers may be required to report to federal, state, and other taxing authorities. NFS makes no warranties with respect to, and specifically disclaims any liability arising out of a customer's use of, or any tax position taken in reliance upon, such information. Unless otherwise specified, NFS determines cost basis at the time of sale based on the average cost-single category (ACSC) method for open-end mutual funds and based on the first-in, first-out (FIFO) method for all other securities.

Amortization, accretion and similar adjustments to cost basis have been provided for many fixed income securities (and some bond-like equities), however, they are not provided for certain types, such as short-term instruments, Unit Investment Trusts, foreign fixed income securities, or those that are subject to early prepayment of principal (pay downs). Where current year premium or acquisition premium amortization is provided, the prior years' cumulative amortization is reflected in the adjusted cost basis, but we cannot provide a breakdown or the total of such prior amortization amounts.

LIMITATION ON COST BASIS INFORMATION: NFS's cost basis information system has a cumulative lifetime limit on how much activity it can track for each individual security position in an account. For this purpose, each buy, sell, dividend, wash sale disallowed loss, stock split, stock merger, etc. is an event. For some customers, this limit can be reached with approximately 1500 events. Upon reaching the limit, the system no longer displays or tracks cost basis information for the affected position, and such information will usually show as not available or unknown. Once the limit is reached, all cost basis information for the affected position will need to be tracked and updated by you, the investor.

Securities and Insurance Products and Services: *ARE NOT FDIC OR ANY OTHER GOVERNMENT AGENCY INSURED *ARE NOT BANK GUARANTEED *MAY LOSE VALUE. Taxpayers should verify such information against their own records when calculating reportable gain or loss resulting from a sale, redemption, or exchange. NFS does not report such information to the IRS or other taxing authorities and is not responsible for the accuracy of such information taxpayers may be required to report to federal, state, and other taxing authorities. NFS makes no warranties with respect to, and specifically disclaims any liability arising out of a customer's use of, or any tax position taken in reliance upon, such information. Unless otherwise specified, NFS determines cost basis at the time of sale based on the average cost-single category (ACSC) method for open-end mutual funds and based on the first-in, first-out (FIFO) method for all other securities. Customers should consult their tax advisors for further information.

For investments in partnerships, NFS does not make any adjustments to cost basis information as the calculation of basis in such investments requires supplemental information from the partnership on its income and distributions during the period you held your investment. Partnerships usually provide this additional information on a Form K-1 issued by April 15th of the following year.

D - Adjusted cost basis reflects any cumulative original issue discount, premium, or acquisition premium, and it assumes such amounts were amortized by the taxpayer over the life of the security from acquisition date through disposition date. For securities still held, maturity date was used instead of disposition date. Premium amortization was calculated using the yield-to-maturity method. Acquisition premium was calculated using the ratable accrual method. If applicable, adjusted cost basis reflects market discount accretion which was calculated using the straight-line method and was recognized at disposition date. Gain/loss displayed for this transaction was based on cost basis as adjusted for premium and discount as stated above and does not reflect any losses disallowed because of wash sales (if applicable). The adjusted cost basis may not reflect all adjustments necessary for tax reporting purposes and may also not apply if you are using an alternative amortization calculation method. Refer to IRS Publication 550, Investment Income and Expenses, for additional information.

If a sale, redemption or other disposition involved multiple tax lots, the transaction's totals may have been calculated using a combination of adjusted and unadjusted cost basis information. For lots where adjusted cost basis and its associated gain/loss are known, that was used, otherwise "regular" unadjusted cost basis and its associated gain/loss was used.

GLOSSARY Short Account Balances - If you have sold securities under the short sale rule, we have, in accordance with regulations, segregated the proceeds from such transactions in your Short Account. Any market increases or decreases from the original sale price will be marked to the market and will be transferred to your Margin Account on a weekly basis. **Market Value** - The Total Market Value has been calculated out to 9 decimal places, however, the individual unit price is displayed at 5 decimal places. This amount represents values obtained from various quotation services, which may in turn, obtain appraisals based on closing prices and/or the mean bid and ask on the last day of the statement period. Accordingly, the accuracy of such prices cannot be guaranteed. The securities may be unpriced for various reasons including, but not limited to, unavailability of pricing, illiquidity, or the securities may not have value. The value of a security may differ from its purchase price. Securities are identified on the front of the statement. Investment decisions should be made only after consulting your broker/dealer for an actual quote. **Estimated Yield and Estimated Annual Income** - When available, the coupon rate of some fixed income securities is divided by the current market value of the fixed income security to create the Estimated Yield figure and/or the current

You should advise your broker/dealer promptly of any material change in your investment objectives or financial situation. **Splits, Dividends, and Interest.** Expected stock split, next dividend payable, and next interest payable information has been provided by third parties and may be subject to change. interest rate or most recently declared dividends for certain securities are annualized to create the Estimated Annual Income figure. These figures are estimates only, based on mathematical calculations of available data, and have been obtained from information providers believed to be reliable, but no assurance can be made as to accuracy. Since the interest and dividend rates are subject to change at any time, and may be affected by current and future economic, political and business conditions, they should not be relied on for making investment, trading decisions, or tax decisions. **Estimated Value** - If this statement contains an estimated value, you should be aware that this value may be based on a limited number of trades or quotes. Therefore, you may not be able to sell these securities at a price equal or near to the value shown. However, the broker/dealer furnishing this statement may not refuse to accept your order to sell these securities. Also, the amount you receive from a sale generally will be reduced by the amount of any commissions or similar charges. If an estimated value is not shown for a security, a value could not be determined because of lack of information.

Loads and Fees. In addition to sales loads and 12b-1 fees described in the prospectus, NFS or your broker/dealer may receive compensation up to 35 basis points of the average daily net assets of certain mutual funds in connection with your purchase of those mutual funds and/or the on-going maintenance of your brokerage account with respect to those shares. The compensation is paid by the mutual fund and/or its affiliate. Additional information about the source and amount of the compensation will be furnished to you upon written request. **Fixed Income.** The prices given for fixed income securities on this statement are approximations, not actual market bids or prices and are provided only as a general guide.

Margin. If you have applied for margin privileges and been approved, you may borrow money from NFS in exchange for pledging the assets in your account as collateral for any outstanding margin loan. The amount you may borrow is based on the value of securities in your margin account, which is identified on your statement. If you have a margin account, this is a combined statement of your margin account and special memorandum account other than your non-purpose margin accounts maintained for you under Section 220.5 of Regulation T issued by the Board of Governors of the Federal Reserve Board. The permanent record of the separate account, as required by Regulation T, is available for your inspection upon request.

NYSE and FINRA. All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange market and its clearing house, if any, where the transactions are executed, and of the New York Stock Exchange (NYSE) and of the Financial Industry Regulatory Authority ("FINRA").

The FINRA requires that we notify you in writing of the availability of an investor brochure that includes information describing FINRA Regulation's Public Disclosure Program ("Program"). Your broker/dealer is responsible for ensuring that your brokerage account is in compliance with federal, industry and NFS margin rules, and for advising you of margin requirements. NFS shall maintain the required books and records for the services it performs.

For details, please see www.sipc.org. NFS has arranged for additional insurance protection for cash and securities to supplement its SIPC coverage. This additional protection covers total account net equity in excess of the \$500,000/\$100,000 coverage provided by SIPC.

Neither coverage protects against a decline in the market value of securities. Assets Held Away, commodities, unregistered investment contracts, futures accounts and other investments may not be covered.
